JAN 06 2011

**of Correction**

For: Continuous-Batch Hybrid Process for Production of Oil and Other Useful Products From Photosynthetic Microbes.

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Attn: Certificate of Corrections Branch

**REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT TO 37 CFR § 1.322**

Dear Sir:

Transmitted herewith is a Certificate of Correction for U.S. Patent No. 7,770,322 issued on August 10, 2010.

Pursuant to 37 CFR § 1.322, "The Director may issue a certificate of correction pursuant to 35 U.S.C. § 254 to correct a mistake in a patent, incurred through the fault of the Office, which mistake is clearly disclosed in the records of the Office."

Upon reviewing the claims of the issued patent, the patentee noted the following typographical errors were made by the U.S. Patent and Trademark Office (the "Office"), which should be corrected as follows:

1. In claim 10 (column 14, lines 9-10), "at least said growth rate" should be "at at least said growth rate"; and
2. In claim 14 (column 14, line 50), "claim" should be "claims."

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first-class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on the date shown below.

Martin E. Hsia

Date:

12/29/10

32471

A review of the claims mailed on April 19, 2010, confirms that the error was made in the printing of the patent because the claims were correctly stated therein.

Because both errors for which a Certificate of Correction is sought were a result of mistakes made by the Office, no fee is due. See 35 U.S.C. § 254; 37 C.F.R § 1.20(a).

Respectfully submitted,

Martin E. Hsia
